Bogotá D.C., February 19, 2018

Ecopetrol is Colombia's largest firm and is an integrated oil company that is among the 50 largest in the world and the four largest in Latin America. In addition to Colombia, where it generates over 60% of the country's production, it is active in exploration and production in Brazil, Peru and the United States (Gulf of Mexico). Ecopetrol operates the largest refinery in Colombia and most of the country's oil-pipeline and polyduct network, and is significantly increasing its share in bio-fuels.

This press release contains statements relating to business prospects, estimates of operating and financial results, and Ecopetrol's growth prospects. All are projections, and therefore are based solely on management's expectations of the company's future and its continuous access to capital to finance the company's sales plan. Achieving these estimates in the future depends on its performance under given market conditions, regulations, competition, performance of the Colombian economy and industry, among other factors; therefore, they are subject to change without prior notice.
