

### Schedule 3 - Independence Certificate

Messrs.  
ECOPETROL S.A.

This certificate is issued to meet the requirements established in Schedule 1 - Information to Consider, Section E.1. Experience and General Requirements (7), (8), (9) and (10):

- A. The firm I represent is independent and I am not aware of any event that makes the firm or its employees fall into the grounds for ineligibility, incompatibility or conflict of interest and prevents them from auditing (as Statutory Auditor or External Auditor) Ecopetrol S.A. or its controlled companies nationally and internationally.
- B. The firm I represent has not received income from Ecopetrol S.A. or its controlled companies representing 25 % or more of the revenue for the immediately preceding year (2020).
- C. The firm I represent has not provided to the Company or its controlled companies, directly or through third parties, services other than those of the Statutory Auditor that compromise its independence in performing its functions.
- D. I am not aware of any event that makes the firm I represent fall into the grounds for conflict of interest, ineligibility or incompatibility to perform the role of statutory auditor as provided in the Code of Commerce, Law 43 of 1990, Circular 033 issued by the Central Board of Accountants on October 14, 1999, or any other Colombian or foreign legal provision that limits Statutory Auditing or External Auditing.
- E. The statutory audit service will be provided as established in Chapter VIII of the Code of Commerce, Law 43 of 1990, and other applicable regulations.

Issued in Bogotá on this February 9, 2021 as part of the request for technical and economic information from public accounting firms that may be eligible to act as statutory auditor or external auditor for ECOPETROL and some of its controlled companies for 2021 and 2022.

Sincerely,
